He knew Eliot at Harvard

No matter, of course,
who knew who

@ OSU. 1 UConn guy
admonished me to wash
hands post pee,

never. Pissing then
upon the faucet, thus

informing all
my senses of his
unhygienic theme.

He didn’t know
Eliot @ Harvard.

Bush & Kerry @ Yale.
Precious

few
did.

And do. O
& DON’T they?
